

- a. The FCC should not implement any proposal that would lessen Indiana's Telephone Privacy law protections.
- b. Indiana's Telephone Privacy law has improved our time at home.
- c. Indiana's law has been effective. I used to receive 12-15 calls per week. Since registering, I haven't recieved any calls.
- d. My personal views about is that Indiana's law will be greatly more effective than any federal law.
